REF: Westland Meat Company

To whom may it concern:

Due to the last events and after reviewing our records we want to inform you that, we currently do not buy any meat from Westland Meat Company to manufacture our products (i.e., Fernando's, El Extremo, Critters).

Food safety and quality is a top concern for ConAgra Foods. We appreciate your inquiry over this matter and hope this letter provides the appropriate information that you need. If you have further questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Frank Canlas".
