What an exciting year we have had in the California Legislative arena! CSNA has become a powerful voice in Sacramento. Building effective alliances with other organizations that share our vision and maintaining a credible presence with elected officials is fundamental to the success of Child Nutrition Programs. CSNA has made great strides in advancing Child Nutrition Program issues at the state legislative level.

The members of the California School Nutrition Association Public Policy and Legislative Committee cordially invite you to attend the annual state Legislative Action Conference. This year's conference will be held March 21-22, at the Embassy Suites Sacramento Riverfront Promenade. The committee is in the process of constructing an exciting program packed with informative speakers, great food, and visits with your legislators.

The conference will open at 10:00 a.m. on Sunday, March 21st, and will conclude with legislative visits on Monday.
