

SNA District Owned Membership

SNA has California scheduled to participate in District Owned Membership program October 2009.

SNA will send an information packet to all member and non-member child nutrition directors in the state to introduce this new membership option. The packet will include:

- A letter from SNA's president introducing the new membership option;
- A new SNA membership brochure;
- A revised SNA membership application;
- A copy of USDA's letter regarding the use of CN funds to pay for memberships; and
- An Overview of the SDM program.

For more information please check out the SNA website www.schoolnutrition.org
