

California School Nutrition Association
CSNA – 2023
SPONSORSHIP

ATTENTION INDUSTRY MEMBERS

Held at our annual conference, this event will be exciting and educational for everyone!

Your \$400.00 sponsorship allows students to have interactive experiences in the field of nutrition, physical activity, and healthy food choices.

NAC Students will walk through the exhibit hall with a chaperone, visiting NAC Sponsor booths to sample nutritious items.

Students will evaluate your delightful products, and you will receive their feedback.

NOTE:

Because the mission of NAC is to promote nutritious habits, we ask that the product sampling comply with the smart snacks in schools and follow the guidelines set out in the Healthy and Hunger-Free Kids Act, 2010.
