

CALIFORNIA

Universal Meals

FIRST YEAR INSIGHTS

Successes

- Provides equity for all students
- Reduces hunger
- Creates opportunities for increased hours and benefits for school nutrition employees

Key to Continued Success

- Supply chain stabilization: food, supplies, and equipment
- Ensure adequate time for students to eat
- Investment in facilities, infrastructure, and training

Sustainable Achievement

- Continued support to improve facilities and infrastructure
- Recruit and retain highly qualified staff
- Source the highest quality of foods for students
