Remember, many Food Service Directors send "line" staff to the show to bring back recommendations on products.

Please treat all attendees with the same respect.

UP TO THE MINUTE INFORMATION

Visit our website at www.calsna.org for up-to-the-minute information regarding this year's conference in Pasadena.

SHOW POLICIES

PAYMENT POLICY

For each 10' x 10' booth the exhibit fee must accompany the Exhibit Application before it can be processed. If you wish to reserve a space, a temporary hold can be made by calling (818) 842-3040. Space will be held for five business days.

If completed application and deposit are not received in that time, the space will be released.

SPACE ASSIGNMENT POLICY

As in previous years, we are using a system of space assignment that allows us to thank our long-time vendors, while allowing plenty of prime space for small or newer exhibitors. Points are accumulated by continuing participation in CSNA activities. Weighting is accumulated as follows:

- 1. Participation as past CSNA Industry Advisor/Representative
 - 2. Each year participating as an exhibitor with CSNA
 - 3. Sustaining Membership with CSNA
 - 4. Advertising in PoppySeeds

The vendors with the highest number of points have first choice of exhibit space. These vendors will receive the exhibit application first, and have a limited amount of time to respond with their application and deposit. If they do not respond immediately, all space becomes available to the remaining vendors.

If you wish to reserve a space, a temporary hold can be made by calling (818) 842-3040. Space will be held for five business days. If completed application AND deposit are not received in that time, the space will be released.

CANCELLATION POLICY

If exhibit space is cancelled more than 120 days prior to the conference, a \$150 administrative fee will be charged and all other deposits will be refunded. If exhibit space is cancelled between 90 and 120 days prior to the conference, one half of the Booth Price will be held as a cancellation fee, and all other deposits will be refunded. If exhibit space is cancelled less than 90 days prior to conference, CSNA reserves the right to charge the entire exhibit fee.

EXHIBIT DISPLAY REGULATIONS

Show management has developed these Exhibit Display Regulations in accordance with the guidelines adopted by the International Association of Exhibitor Management. These regulations will ensure that all exhibits, regardless of site, will have an equal opportunity, within reason, to present their product in the most effective manner possible.

- Booth assignment format: In fairness to all exhibitors, multiple booths will not be assigned across aisles.
- Height restrictions/Line of Sight: booths may not block the view of another booth in any part of booth design.
- No signs or banners may be placed in the aisles.
- Additional exhibit guidelines and information will be provided upon receipt of application.

CONSTRUCTION MAY NOT OBSCURE THE VIEW OF ADJOINING **BOOTHS.** Except in the case of booths located along perimeter walls, booth back wall height for draped or fabric exhibits or their construction shall not exceed 8 feet including signs and electrical lighting. End Cap Booths may not extend more than 4 feet from center on either side. 8 foot height restriction does not apply to a piece of equipment that is regularly sold and used within the industry as long as the item is placed in the space so that it does not obscure the view of adjoining booths.

WHAT DOES THE CSNA SHOW MEAN TO EXHIBITORS?

If you want to sell your products or ideas to schools ~ this is a show you must attend. If you want to see the latest trends in school marketing, California leads the nation. We owe a great deal of our success to this show. It is very important to us, and a show we always look forward to. You can not effectively deal with schools and not attend this show. - Mike Boden

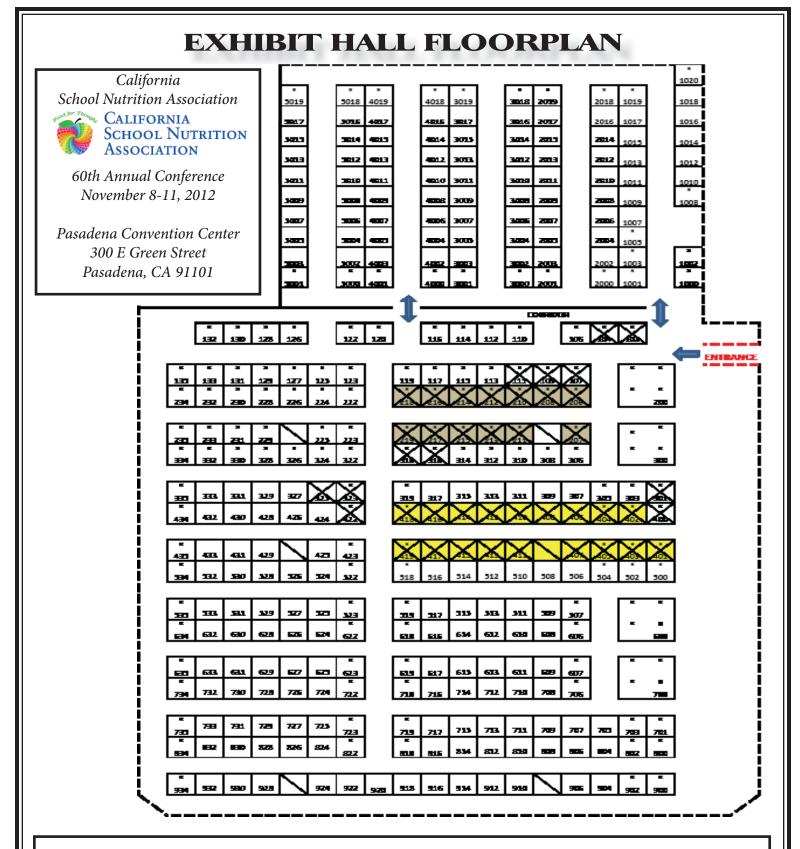

Speaking as a former School Food Service Director and currently Director of School Food Service Sales of Bay Brokerage, "I have attended over 30 CSNA Conferences and I continue to be amazed at this extravaganza extraordinary. Participants view and test the newest and finest food products available and that are specifically designed for Child Nutrition Programs. As well as the most recent developments in computer technology and kitchen equipment of all kinds. It's a conference and exhibition that strengthens our partnership . . . vendors and school food service employees feeding children.

NAC - NUTRITION ADVISORY COUNCIL!

As in past years, the NAC kids will be a vital part of the Conference experience.

The NAC program provides kids with a morning of education about the importance of good nutrition and exercise in their daily routines. With the official opening of exhibits at 10:30 A.M. on Friday, November 9, the NAC participants will walk the show floor, stopping at the booths of our NAC sponsors. This gives NAC partners the unique opportunity to meet the actual consumers of school food, providing samples and gathering feedback to better serve this important target audience. A second NAC program will be scheduled for Northern California NAC Kids that cannot attend the Southern California NAC Program. The success of this great program is dependent on the contribution and participation of CSNA's Industry Members and your support is greatly appreciated.

For more information, or to become a NAC Partner, please contact NAC Chair Sandy Bernstein.
