2016 School Nutrition Webinar Series

Provided by the California Professional Nutrition Education and Training (Cal-Pro-NET) Center, University of California, Davis (UCD),
In Partnership with the Nutrition Services Division,
California Department of Education (CDE)

These free, one-hour Webinars will include information on the requirements and best practices for the selected topic, including U.S. Department of Agriculture (USDA) menu planning requirements and professional standards.

USDA Professional Standards information: Each of these Webinars provides one hour of continuing education under the Key Area of Nutrition (1300 General Nutrition).

All Webinars begin at 1:30 p.m.

Webinar Dates and Topics:

January 21, 2016

How to Meet Professional Standards Using the Focus on Food Curriculum

February 23, 2016

Serving Vegetarian Meals in School Nutrition Programs

March 29, 2016

Nutrition Education in School Nutrition Programs

April 26, 2016

Dietary Guidelines for Americans, 2015

Registration
