

Riding the Raging Wave of Minimum Wage!

Jennifer LeBarre - SF USD

Bryan Miller - Cutler-Orosi USD

Jon Sugimoto – Integrated Food Service

Brandi Williams – Producers Dairy

Robert Schram – Clovis USD

NOVEMBER 10, 2018 – 1:30pm

Objectives:

- Participants will be able to:
 - Recognize the far reaching effects the minimum wage increase may have on child nutrition (CN) programs and industry.
 - Learn strategic business decisions to off-set some of the consequences of the minimum wage increase.
 - Gain insight in navigating and leveraging federal programs to help decrease the negative impact of the minimum wage increase on CN programs.

How is the minimum wage increase going to effect Child Nutrition Programs?

- **Key Topic Areas for Discussion:**
 - ↑ minimum wage to \$15/hour
 - ↑ PERS and benefit costs
 - Potential ↓ F/R eligibility = potential ↓ funding and ↓ LCFF dollars
 - ↑ price of groceries
 - ↓ amount of money CN can spend on groceries

Questions

Recap of strategies to hedge effects of the minimum wage increase
