## Keynote Presentation - Thursday, October 26 - 11:30 a.m. - 12:30 p.m.

Seeds to Success: The Power of Choices and Potential

Join Joe for this insightful keynote as he delves into how planting three key seeds can enhance personal and organizational leadership success. With a background as a former school nutrition administrator, Joe draws upon his own challenges and triumphs as a leader to empower audiences to become stronger leaders themselves. He emphasizes the significance of self-discipline, self-care, and positive self-talk, leaving attendees with practical tools to cultivate their own leadership potential. Get ready for a thought-provoking and transformative experience with "Seeds to Success: The Power of Choices and Potential."

### Breakout session - Friday, October 27 - 9:15 a.m. - 10:15 a.m.

Team United: How Our Differences Give Us Power

In this dynamic workshop, Joe will help teams unlock the full potential of their unique strengths and differences. Attendees will gain valuable insights into their behavioral strengths, blind spots, and communication preferences, and learn practical strategies for improving team communication, developing stronger relationships, and creating a healthier workplace culture.

The highlight of the session is a fun and enlightening breakout activity where attendees choose an animal based on identified similar characteristics. This activity has been a hit with past attendees, as it brings laughter and levity to the group while quickly developing awareness about themselves and others. Even those who struggle with seeing others' uniqueness in a positive light will benefit from this session.

It's that time again to get the information about volunteering at this year's conference in Palm Springs October 25th to October 28th. ### **Pre-Conference Tour**

Wednesday, October 25

When you think about the produce grown for your school food service operations, do you picture acres of open fields, rows of tilled soil, and seedlings lining the tops of the mounds? While much of the world's fruits and vegetables are grown this way, there are other ways to grow produce without large amounts of land — and even without soil!

Come to the desert to explore alternate ways to acquire nutritious produce for your school meal programs.

We will help you find the essential pieces to make your meal programs complete. Join us on Wednesday for a day filled with fun, food, and adventure.

Don't miss the bus.

#### It's time to register for your School Nutritional Specialist (SNS) exam!

Submitted by: Cecilia Milner, 2023 Essential Pieces Professional Development Chair

Registration is now open for the SNS Credentialing Exam. This year, the SNS exam will be offered on Thursday October 26, 2022, from 1:00 pm to 5:00 pm. Now is the time to think about taking the exam as you will want to take a couple of months to study and prepare.

Earning the credential of SNS is well worth the effort, as adding the credential to your signature, is a way to indicate your commitment and proficiency in all things School Nutrition.

Registration is done on the School Nutrition Website and is \$225 for SNA members and \$325 for Non-Members. The deadline to register is Thursday September 29, 2023. While you are on the SNA web site, be sure to check out all the great SNS exam resources they offer such as a handbook that thoroughly describes the SNS exam process and there is a SNS exam study guide that is available for purchase. #### ServSafe Exam offered at Annual Conference

Submitted by: Cecilia Milner, 2023 Essential Pieces Professional Development Chair

Is it time to renew or perhaps obtain your ServSafe Certification? CSNA will be proctoring the ServSafe exam at our Essential Pieces Annual Conference. The exam will take place on Thursday October 26<sup>th</sup> at 1:00 pm.

The cost is \$65 and pre-registration is required.

There will be an option to add the ServSafe exam when you register for Conference.

Be sure to check out the Essential Pieces Annual Conference webpage for more information.

## Resource Center and Silent Auction

The Silent Auction is a great opportunity to raise money for your chapter and help the CSNA Scholarship Fund! This year's CSNA Annual Conference is in Palm Springs! We encourage you and your members, all essential pieces, to create a great basket to raise funds for your chapter! The proceeds are split 50/50, so bring as many items as you'd like. Examples of past auctions include baskets containing purses, spa items, blankets, jewelry, gift cards, and even golf or mini vacation packages. Use your imagination!

#### Tips for a Successful Silent Auction

Make a list of contents in the basket or a description of the item; people are more likely to bid on one if they know what is inside. Giving your basket a theme with a cute name generates interest tool E.g., Are you Digging it? (Gardening) Lights, Camera, Action (Movie Night), etc...Bring something others may find unique, as this makes your basket more enticing. Be sure it will appeal to others by decorating or adding different touches to make your basket stand out. Ask local restaurants and other businesses to donate a gift card or product to increase the value of your basket. Display their name or business card to give them advertising exposure.

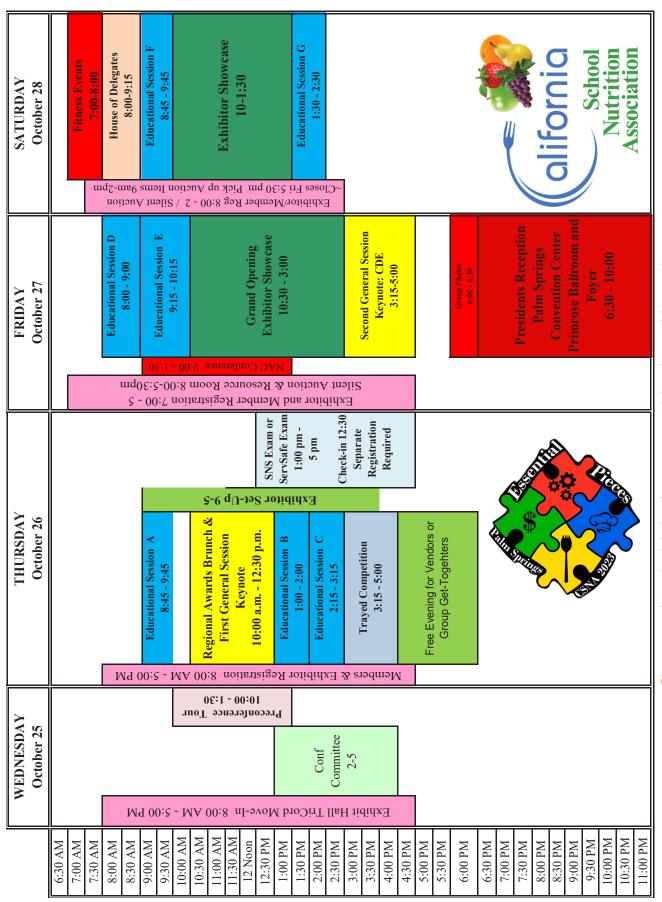

The Resource Center is an area for chapters to display their accomplishments and ideas!

As we all continue to meet a myriad of challenges including supply chain, staffing or others, share how you're meeting them with enthusiasm and heart. Let's show our colleagues all your innovative ideas, methods and processes!

Share items like: how you spent your KIT funds, your menus, recipes, summer feeding ideas, CACFP ideas, and keeping staff motivated, workshop ideas, guest speakers, and professional development ideas!

For more information, please contact The Lauries - Resource Center & Silent Auction Committee!
