SCHOOL NUTRITION WEBINARS

Provided by the California Professional Nutrition Education and Training (Cal-Pro-NET) Center, University of California, Davis (UCD)

In partnership with the Nutrition Services Division, California Department of Education

California school nutrition directors, supervisors, menu planners, and staff are invited to attend Webinars on a variety of menu planning topics. These presentations will focus on requirements for the selected topic, and any changes resulting from the new U.S. Department of Agriculture menu planning requirements. This Webinar format will provide an opportunity for questions and discussions. In addition, the Webinar will be available after the presentation on the UCD Center for Nutrition in Schools Web site at <http://cns.ucdavis.edu>.

All Webinars begin at 1:30 p.m. Registration is free, and is limited to 250 participants.

Note: Registration closes 24 hours prior to the start of each Webinar.
