

Dear Valued Customer,

Thank you for all that you are doing to take care of your community and provide essential meals to your students in a great time of need.

We understand that your days are unbelievably hectic and your approach to menu service continues to evolve as each week passes. Please use us as a resource to help you find solutions.

We have a variety of delicious frozen products for your grab & go service for families to take home and bake, or for baking on site to serve hot. We have bilingual heating instruction sheets available for you to provide with your meals.

We look forward to connecting with you to find a custom solution for your needs. Thank you for all that you are doing during this trying time.

Stay safe and take care,
